FAQ

Can I bring my pets?

For the safety of our free-range livestock and geese and the protective nature of our livestock guardian dogs we cannot allow animals from outside the farm to visit. Thank you for your understanding.

Is there a limit to 100 guests?

Our farm is on a septic system and can comfortably handle 100 guests, anything over this would require the rental of portable washrooms.

Can I bring in a caterer?

Of course! We have a prep kitchen complete with stainless steel tables and refrigerators. We recommend having your caterer visit our property to assess their needs prior to the big day.

Do I need to use Bosco Botanicals?

We offer complimentary in-house florals made with fresh, handpicked flowers and greenery fresh off the farm. While you can bring in outside florists, we offer highly competitive pricing, no-spray flowers and remove the costs of transport and/or storage of florals.

Do you have lodging on property?

We have two suites on our property that both sleep four. They are available to rent for your guests or yourselves for two nights!
